Pride:

Celebrating achievement and success is at the heart of our school, enabling all to shine as individuals, teams and groups. We are proud of our school and all that we do.

Teamwork:

Together we support, respect and trust each other. We value effective communication, to engage with both the school and the wider community.

Learning Journey:

We encourage all children to develop an independent learning approach that demonstrates initiative and a determination to be challenged, preparing them for life beyond Buttsbury.
